2. GENERAL TERMS

2.1 Eligibility:

Users must meet the eligibility requirements set forth in the Terms of Service, including that they are not located in, or residents of, the EU/EEA, the UK, or Switzerland. The Services are not directed to, intended for, or intentionally made available to users located in those jurisdictions, and such users are not eligible to use the Services. Users must provide accurate and complete account and payment information.

2.2 Platform Role:

Wondermint operates solely as a technology platform facilitating peer-to-peer transactions. Wondermint is not a party to transactions between Buyers and Sellers and does not act as a merchant of record, payment processor, or escrow provider.

2.3 Payment Providers:

All payments are processed through third-party providers (such as PayPal or other supported services). Users agree to comply with all applicable payment provider terms. Wondermint does not store or control payment credentials.

3. SELLER TERMS

3.1 Listing and Content Responsibility:

Sellers are solely responsible for all content they list. Sellers represent and warrant that they have the legal right to license or transfer such content. Listings must include accurate descriptions, pricing, and licensing terms. Sellers may not upload or sell content that violates applicable law or third-party rights.

3.2 Licensing and Transfers:

Sellers may offer content under license or, where explicitly stated, as a full transfer of digital content and any associated rights. Sellers are solely responsible for accurately describing the rights granted. Wondermint does not verify ownership, licensing authority, or enforceability of any rights.

3.3 Fees and Payments:

Sellers agree that platform fees apply to all transactions, including transaction fees and content distribution fees as disclosed on the platform. All payment processor fees are the sole responsibility of the Seller and are separate from platform fees. Payments are processed and distributed by third-party providers. Wondermint does not hold or control Seller funds.

3.4 Compliance and Fraud:

Sellers may be subject to identity verification requirements. Sellers engaging in fraud, misrepresentation, or prohibited conduct may be suspended or terminated. Wondermint may report suspicious activity to payment providers or authorities.

4. BUYER TERMS

4.1 Purchases:

Buyers agree to pay the full transaction amount as displayed. Buyers acknowledge that transactions involve the purchase of licenses or rights, not ownership, unless explicitly stated. Buyers are solely responsible for reviewing licensing terms prior to purchase.

4.2 Buyer Responsibilities:

Buyers must comply with all licensing terms associated with purchased content. Buyers may not use, distribute, or exploit content outside the granted rights. Buyers assume all risks associated with use of AI-generated content.

4.3 Prohibited Actions:

Buyers may not engage in fraudulent transactions, misuse content, or attempt to circumvent platform fees or policies. Chargeback abuse may result in account suspension or termination.

5. DISPUTES AND REFUNDS

5.1 User Responsibility:

All disputes must be resolved directly between Buyers and Sellers first through the Wondermint Dispute Resolution Process. If this process fails, only then is the dispute escalated through the applicable payment provider. Wondermint does not guarantee or warrant the outcome of disputes.

5.2 No Refund Obligation:

Transactions involving digital content are generally final. Refunds are not guaranteed and are determined solely by Sellers or payment providers. Wondermint does not issue refunds or assume responsibility for refund decisions but may strongly suggest to Sellers refund payments if they are deemed to be in violation of Wondermint Policies.

5.3 Mediation:

Wondermint will provide informal, non-binding assistance in disputes following the Wondermint Dispute Resolution Process. Wondermint does not guarantee any outcome.

6. ACCOUNT ENFORCEMENT

Wondermint may suspend or terminate accounts in accordance with the Terms of Service, including for violations of policies, fraud, abuse, or legal risk.

7. LIABILITY AND DISCLAIMERS

Wondermint operates as a neutral platform and is not responsible for user content, transactions, or disputes. Users engage with the platform at their own risk. Wondermint shall not be liable for any losses arising from transactions, content, payment processing, or user conduct.
